ARREST RELEASE

ROCKFORD POLICE ANNOUNCE ARREST IN DEATH INVESTIGATION OF FIFTEEN YEAR OLD GIRL

On 10/27/2015 the charred remains of an unidentified white female were located in the yard of an abandoned residence in 10000 block of East Greenfield Road in rural Stephenson County. An autopsy was performed and the female was identified as fifteen year old Rockford resident, Andreayah McBain. Investigation revealed McBain had been reported as a runaway through the Rockford Police Department on 10/20/2015. Toxicology results later showed that McBain had a combination of drugs in her system. A joint investigation was conducted by members of the Rockford Police Department, Stephenson County Sheriff's Department, and the Illinois State Police. During the course of the investigation, information was developed that 28 year old Rockford resident, Natheon Hanson, and a fifteen year old female, were with McBain at a residence located in the 1000 block of Chamberlain Street, Rockford, Illinois. McBain allegedly overdosed while at the residence. Hanson and the fifteen year old female then transported McBain's body to East Greenfield Road where they burned her body. On 11/12/2015, Hanson committed suicide during a traffic stop initiated by an officer with the Jerome Police Department, Jerome, IL.

The facts of the case were subsequently reviewed by the Winnebago County State's Attorney's office. They authorized charges and a warrant was issued for the fifteen year old female. She was arrested and charged with the following:

Concealment of a Homicidal Death
Obstruction of Justice

The defendant is currently being held at the Winnebago County Juvenile Detention Center. Her name is being withheld due to her status as a minor.

These charges are merely accusations. She is presumed innocent until proven guilty in a court of law.
